

# MOPAR® WD POWERTRAIN STOCKING PROGRAM

## More Discounts Are Here - Get 20% Off All Year!

Mopar® Powertrain products are known in the industry for high standards of quality, reliability and horsepower. As a Mopar WD, full access to this product lineup has been available to you - but now we are making the program even more profitable.

**Discount Effective:**  
July 1, 2024

-  Place an annual 20-unit stock order (engines and transmissions only) and receive 20% off this order and all future powertrain stock orders within the current calendar year
-  WDs will also receive a one-time 1.5% credit on the initial stock order from Mopar's Powertrain Distributor - AER.
-  Free marketing material and joint market blitz with participation from WD Account Managers and AER Powertrain Account Managers

**Remember:** All stocked inventory is protected by the [AER Return Policy](#).

## Don't Lose Out!

WDs who choose not to participate will see their WD rebate decreased from 15% to 10% for all powertrain categories, listed below:
